HAPPY CHEAP ASS CANDY DAY

Steve Soukup, Editor

President's Corner

WOW! What a great turnout of support for our new meeting location and day.

Check out the picture of the crowd (p.7). The owner of the restaurant was so happy to have us, they extended happy hour pricing and promised additional staff for the next meeting. Yup, we were crowded and spilled out to the lobby. It is unfortunate that the last facility did not give us enough notice to allow us time to book the larger room for the entire year. There are about 5 times during the year that we will be in the smaller room. Thursday February 6th is one of them. We are going to try to set up the room differently, to accommodate the fun crowd. Also, watch for some meeting "alternatives" that will be more social and less talk.

We start our Club Board election process in January. Our committee is set. Thank you to Margaret Barnett, Gina Weizer, and Pat DeLuca for volunteering to be on the election committee. All positions are open for the election. We are also open to creative board members. As example, Sue Bartely and Sandy Palmer currently share the VP Social board position. They have done a great job! Consider a board position. Give back to the club that gives us so much.

Ski season is in full swing. January at Mammoth was terrific. Thank you to Richard Murray and Wade Lewis as co-leaders. February brings us Mammoth #2 and Telluride. Staying in town? Don't miss the parties, hikes, etc.

Remember, when you are at a club meeting/activity, you represent the entire club. Be nice, be respectful, treat others as you would want to be treated.

Roslyn Hart, President

**CONEJO SKI & SPORTS CLUB
 WAIVER AND RELEASE OF LIABILITY AND CONDUCT POLICY
 (READ BEFORE SIGNING)**

In consideration of being allowed to participate, in any way, in the Conejo Ski & Sports Club programs, related events, and activities I, _____ (Participant's Name Printed) the Undersigned, acknowledge, appreciate, and agree that:

1. The risk of injury from many of the activities is significant, including the potential for permanent paralysis and death, and while particular skills, rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist; and,
2. **I KNOWINGLY AND FREELY ASSUME ALL SUCH RISKS, both known and unknown, EVEN IF ARISING FROM THE NEGLIGENCE OF THE RELEASEES** or others and assume full responsibility for my participation; and,
3. I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the nearest official immediately; and,
4. I, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, **HEREBY RELEASE AND HOLD HARMLESS** Conejo Ski & Sports Club, their officers, officials, agents, and/or employees, other participants, sponsoring agencies, sponsors, advertisers, and, if applicable, owners and lessors of premises used to conduct the event ("**RELEASEES**"), **WITH RESPECT TO ANY AND ALL INJURY, DISABILITY, DEATH, LOSS OR DAMAGE TO PERSON OR PROPERTY, WHETHER ARISING FROM THE NEGLIGENCE OF THE RELEASEES OR OTHERWISE**, to the fullest extent permitted by law.

Activity participant agrees that this release will apply to all known and unknown as well as unanticipated claims, injures and damages resulting from club activities, as well as, those now disclosed and all rights under section 1542 of the Civil Code of California are hereby expressly waived. Section 1542 of the Civil Code of California reads as follows:

"A general release does not extend to claims which the (person signing the release) does not know or suspect to exist in his (or her) favor, at the time of execution of the release, which if known by him (or her) must have materially affected his (or her) signing the release."

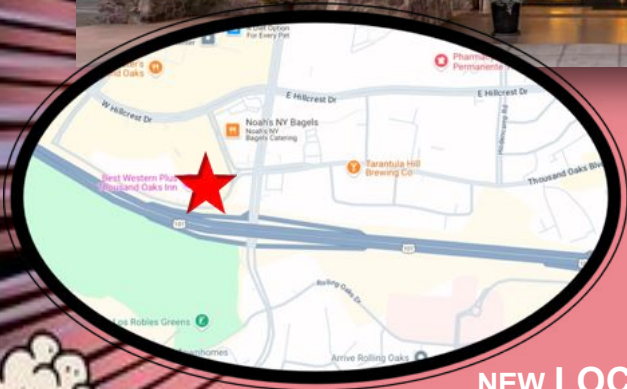

In addition, I have read, understand and agree to the Conejo Ski & Sports Club (CSSC) Conduct Policy which states: *"All participants are required to observe common courtesy and generally accepted standards of behavior. CSSC will not tolerate violation of any federal, state, or local laws or ordinances. Illegal use of drug, tobacco or alcohol will cause the participant to be removed from the event. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at events. Participants who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC event representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC event packages (i.e. lift tickets) and not transfer, resell or barter all or portions of the package. Only CSSC or the issuing agency may compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored activities."*

CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity and/or removal from the club."

I have read and understand the above statements, and I am signing this document, granting this release and participating in this activity voluntarily. I also agree to abide by the CSSC conduct policy.

This trip is for the physically fit and very active individuals.

We start our adventure in the beautiful German town of Koblenz, which straddles the Rhine river and Moselle river. We will be taking a guided 3-hour walking tour of the old town to visit the Ehrenbreitstein fortress, the Munzplatz, the Liebfrauenkirche, the Basilica of St. Castor churches and the Kaiser Wilhein memorial. We will ride the Koblenz Cable Car, the largest aerial tramway in Germany, passing over the Rhine River between Konrad-Adenauer-Ufer and Greiffenklaustr on either side. We'll see incredible views and look out to the spot where the Moselle and Rhine rivers meet.

We then move on to the town of Cochem, where we will board the *Magnifique I*, our privately chartered boat and home for the next 7 nights. After a welcome meeting with the crew, our tour leaders will then take us for a walk through this cozy and characteristic town, exploring its steep

wine-clad mountains, wooded hills, an impressive castle and a picturesque square with beautiful timber-framed houses and cafes. We will visit Cochem's majestic Reichsburg Castle.

Cochem to Zell - Following breakfast, we cycle to Beilstein, one of the best-preserved historical villages on the Moselle. The ruins of the Castle Metternich sit towering above the village, and we'll have the opportunity to explore them. After leaving Beilstein we'll pass Europe's steepest vineyard – with slopes inclining up to 60 degrees – at Bremmer Calmont. Today's bike tour ends in the wine village of Zell on the Moselle.

Zell - Bernkastel – Kues Following breakfast, we cycle from Zell to the romantic village of Traben-Trarbach, located on the Moselle's left bank and famous for its Jugendstil (Art Nouveau) architecture. From there we pass through the wine city of Kröv – well known for its popular Kröver wine – to Bernkastel-Kues, our destination for the night. The grand half-timbered houses that surround Bernkastel-Kues's marketplace date back to the Middle Ages and are a photographer's delight. We reach the boat in Kues after a tour through town.

Bernkastel - Kues - Neumagen - Schweich | Schweich - Trier From Bernkastel, the valley opens up and vineyards expand as far as the eye can see. Today on our bikes we cruise past the heavy-hitters in the wine world: Brauneberg, Piesport, Trittenheim. Piesport is beloved by the Brits for the “little golden droplets. Trittenheim lies in a sharp hairpin turn on the river surrounded by mountains coated with grapes. Around lunchtime we will arrive in Neumagen and we can decide to join the boat from here or continue by bicycle to Schweich, where again the boat will be waiting for us. Once onboard, we will cruise to Trier, the oldest city in Germany which was founded around 15BC by Caesar Augustus under the name of Augusta Treverum. As a trading town and administrative center, Trier flourished during the late imperial age. This Roman golden age left us with a respectable number of monuments, one of the most authentic is the city gate Porta Nigra, which was built around 18AD.

Trier - Saarburg. In the morning our tour leaders will take us into Trier to learn about the Roman history. There is also time to discover and enjoy Trier on our own. After lunch, we will hop on our bicycles and follow the Moselle and Saar river to our next destination, Saarburg. Saarburg is an interesting old town situated in the most beautiful part of the Saar valley. Here, the banks of the river are densely forested. The castle of Saarburg was built here in the middle of the 10th century. In the middle of town, we will come across a waterfall 20 meters high. At the foot of this waterfall, there is an old mill, which is driven by the small river. In this part of town most of the old houses from the 17th and 18th century, which give Saarburg such a picturesque look, are still intact. Today there is no dinner on board. You can select one of the local restaurants of Saarburg for your evening dining.

Saarburg - Remich Today we have 2 cycling options. One is easy, but a bit longer along the rivers. The shorter option is a bit more challenging, through the hills. Whatever your choice is, the cycling will lead us into the Grand Duchy Luxembourg. Here the Moselle forms the border between Germany and Luxembourg. Luxembourg is a small country, but her capital is an important financial center and EU administrative city. On the way, at the Luxembourg side, we visit a wine cooperative, specialized in the so-called “Cremant”, the Champagne of the Moselle. Close to Remich we can admire a Roman mosaic floor. The tile floor which lies in its original place, was once the centerpiece

in a palatial Roman villa. The scene (in 3 million individual tile pieces) reveals scenes from gladiator games in the amphitheater.

Remich - Schengen | Schengen - Thionville | Thionville - Metz While having breakfast we will cruise to Schengen, where our cycling tour will start. The “Schengen agreement” is something everybody in Europe has heard of, whereas almost nobody knows that it is named after this little town in Luxembourg at the 3-country border. Soon we will cross the Luxembourg- French border and experience the outcome of this agreement: no border controls. We pass the fortress of Sierck-Les-Bains, one of the palaces inhabited by the powerful Dukes of Lorraine. The route is lovely through the French countryside, and friendly villages. Around lunchtime we will arrive in Thionville, the center of the steel industry until the 1980s. That might sound modern and industrial, but the city is ancient. The historic center shows us the medieval ramparts, lovely gardens, old streets, and St. Maximin Basilica. Here the boat is waiting to pick us up to cruise to Metz, another ancient city strategically situated on a Roman trading route. St. Etienne Cathedral is the 3rd largest gothic church in France with flying buttresses and Marc Chagall-stained glass windows. Metz is full of stunning architecture, flowers and great cafes.

After departing the boat, we will have a guided tour of the medieval town of Metz. We then hop the train to Reims (about an hour away to the west) where we will explore the Champagne region of France.

In Reims, our private tour guide will meet us at our hotel and take us on a 4.5-hour tour of Reims, including a visit to the Saint Remi Basilica (the Abbey), the Cathedral, and other notable sites. The next day is a free day in Reims. In the afternoon we will take the train to Paris, where we will spend the next 3 nights. Paris will be free time for everyone to do as they choose.

Included in pricing:

Pre boat and post boat hotels 7 nights - all breakfasts at hotels and on the boat - 7 lunches - 6 dinners - Exclusive boat for 8 days and 7 nights – Fully guided cycling tours (2 tour leaders/2 groups) – walking tours – e-bike – use of helmet – use of waterproof pannier bag – souvenir water bottle – fees for ferries – entrance to Reichsburg Cochem – local wine tasting – Wi-Fi on boat – all gratuities.

CHERRY BLOSSOM SEASON!

\$5,900- Land Package13 Nights • 4 Cities • 29 Meals
3 Departure Dates: March 28, 30, & 31 2026

Japan is a country of contrasts and contradictions - from the beauty and serenity of the area surrounding Mount Fuji to the frenetic energy of Tokyo's subways and business district. It's where technology meets tradition and convenience meets mindfulness. The Japanese culture shares its reverence for nature in their exquisite gardens and works of art. Shinto Shrines and Buddhist Temples evoke serenity and reflection. Japan also brings us Samurai, Shogunate, Sumo wrestling, anime (like Pokemon, Astro Boy, and Sailor Moon), car manufacturers, Hello Kitty, and an advanced technology in robotics. And then there are the Geishas, in a category all of their own!

Our tour begins with 3 nights in Japan's busy capital, Tokyo, known as Edo until 1869. Tokyo is a modern city with neon lights and skyscrapers. We'll learn about sumo wrestling how they maintain their competitive physique. We'll explore Tokyo using their subway, world renowned for its comprehensive and efficient network of 280 stations. The next city we'll visit on our itinerary is Hakone in the Mt. Fuji region. During our 2 night stay you may want to enjoy our hotel's mineral hot springs, but...be prepared to shed ALL your clothes and inhibitions! We will return to Tokyo and board the Shinkansen (bullet train) traveling at 200mph to our next destination of Kanazawa, located in the Japanese Alps along the coast of the Sea of Japan. During our 3 night stay we will visit the historic part of town with its well preserved Edo era districts from 300 years ago. Kanazawa is known for its Geishas, Gardens, and Gold Leaf. For the last leg of our journey we will take a local train to Kyoto, for our final 5 nights on the trip. Kyoto was the nation's capitol for over 1000 years and is often described as the "heart and soul" of Japan, and is very rich in tradition.
